Pune Journal of Religious Studies

The Third Issue of this Journal will appear in January 1999. The theme of the issue is: *Towards a New Society*. It will be dealt with from an interdisciplinary perspective.

Standing on the threshold of the 21st century, we are trying to envision a new society. No one knows for certain what the emerging society would really like. Possibly all traditions and disciplines will have a contribution to make in shaping the society of the future.

This is what the Third Issue of the Journal will explore.
